

Let us Help You with a WASH Project

www.WASH-RAG.ORG

Formed in 2007, the WASH Rotary Action Group members are passionate about bringing safe water, sustainable sanitation, and appropriate hygiene to communities in need.

We provide:

- WASH Ambassadors in your District to educate and assist your Clubs / District
- We give you \$2,000 to allow a WASH Cadre to review your Global Grant to make it more sustainable.
- Webinars, resources, and educational opportunities
